#### Provide further explanation for the dates of operation, if necessary

We do not run a cooling program. Crisis is a household that is in arrear on their account that qualifies for heating assistance. Crisis benefits will be issued to reduce/eliminate the arrear. We do allow households with an elder or a disabled person to apply in September, but no benefits are issued until the first working day in November. The program doesn't officially open to the general public until 10/1/2020.

Priority is given to elders and disabled in two ways. First, they are sent applications in late August/early September and can apply in September (before the general public). After the start of the season, their applications are expedited to ensure these cases are worked more quickly. Families with young children are pre-mailed applications in September, before the official start of the season. |  |                       |  |  |  |  |

First, they are sent applications in late August/early September adn can apply in September (before the general public). After the start of the season their applications are expedited to ensure these cases are worked first. Families with young children are pre-mailed applications in September before the start of the season. Also, if an elder, disabled person or a household with a young child (under age 6) apply, they get one extra point (\$165 extra) because they are part of the vulnerable population. |  |  |                       |  |  |  |  |

#### 12.4 Describe your fair hearing procedures for households whose applications are denied.

Information about requesting a fair hearing is included in the clients notice of action. If a client decides to pursue a fair hearing they must notify the office in writing. Once the request is received, the supervisor reviews the case for accuracy and then a pre-hearing conference follows. If the matter is not resolved at the pre-hearing conference, a copy of the clients file and all case notes are forwarded to the Hearing Office for them to conduct the hearing.

#### 12.5 When and how are applicants informed of these rights?

Applicants are informed on the application under the "Rights and Responsibilities" section. It is also printed on the notice of action they receive whether approved or denied for a benefit.

12.6 Describe your fair hearing procedures for households whose applications are not acted on in a timely manner.

If an application is over 45 days and has not been worked we work the application immediately. If the client disagrees with the eligibility determination we follow the same process as described in 12.4

#### 12.7 When and how are applicants informed of these rights?

Applicants are informed that it may take up to 45 days to process their application on the application. Their right to a fair hearing is listed on page 2 of the application.

## Section 19: Certification Regarding Drug-Free Workplace Requirements

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central pint is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

- 1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.
- 2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
- 3. For grantees other than individuals, Alternate I applies.
- 4. For grantees who are individuals, Alternate II applies.
- 5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
- 6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
- 7. If the workplace identified to the agency changes during the performance of

the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).
